

KINDERGARTEN BIBLES

When a child enters Kindergarten, they will receive a Bible with a handwritten note from their parents inscribed in it. Students will be presented their Bibles in front of the church body while the value of God's Word in the home is communicated.

► "For the Word" class will be offered for parents

DEUTERONOMY 6:6-7

"And these words that I command you today shall be on your heart. You shall teach them diligently to your children, and shall talk of them when you sit in your house, and when you walk by the way, and when you lie down, and when you rise."

PARENTING TIP:

Kids love to play, so incorporating imagination and excitement into your Bible time helps kids develop a desire to learn. Try using action figures to reenact the story of David and Goliath, or clanging homemade musical instruments to one of the Psalms. Read the "take-home" papers from their Sunday school class and change the names of the characters to your own children's names. Be creative and make the Bible fun!

"Putting Bibles into the hands of these young disciples is such an exciting stepping stone, as we help cultivate their hearts and minds to encounter God and impact the world."
