

SEXUAL PURITY COMMITMENT

Parents and children in 5th grade attend a class to discuss God's plan for Sexual Purity. Resources are provided for families to build heart-to-heart communication between the parent and pre-teen while laying a foundation of purity that will prepare them for the years ahead.

1 CORINTHIANS 6:19-20

"Exploring God's plan for purity, raises the questions as to when we should be talking to our kids about the choices and decisions that need to be made before temptation is before us. We focus on the importance of these conversations to build a confidence of who we are in Christ and honoring our decision to choose purity."

Steve Krier, Lead Pastor

"Or do you not know that your body is a temple of the Holy Spirit within you, whom you have from God? You are not your own, for you were bought with a price. So glorify God in your body."

PARENTING TIP:

Consider using a tool such as Passport to Purity to take your child on a road trip or weekend getaway (Mom takes daughter, Dad takes son) to go through the material together.
