INTEGRATE LIFE GROUPS

We believe strong disciples are best made in multi-generational community. All throughout Scripture we see parents and children—young and old—sharing meals, worshipping, and gathering around God's Word together. This is the historic pattern for discipleship. At Ignite, we desire to make strong, lasting disciples within the family and across generations. Our Integrate Life Groups afford us the best opportunity of doing just that.

NEHEMIAH 8:2-3

"So Ezra the priest brought the Law before the assembly, both men and women and all who could understand what they heard, on the first day of the seventh month. And he read from it . . . in the presence of the men and the women and those who could understand. And the ears of all the people were attentive to the Book of the Law."

PARENTING TIP:

View the two hours spent together with your family in an Integrate Life Group each week as an investment, not an expense. God designed the family unit in such a way that parents are to be their child's primary example of what it looks like to be a strong disciple of Jesus Christ. Investing time into an Integrate Group with other like-minded families will be one of the best investments you can make in this season of your life.
