KEEP YOUR CHILD SAFE

CHECK IN

Families are required to check in their child prior to attending IGNITEkids. This provides a nametag and parent pickup tag.

SECURITY

Our trained Security Team ensures that only authorized families enter and exit the IGNITEkids area.

SECURED AREA

To enter the IGNITEkids area, each child needs a nametag. Any adult that wants to enter must have a matching parent pickup tag.

VOLUNTEERS

All of our volunteers go through a detailed and curated application and interview process, along with a background check.
